Specific information for your country

We host students from 150 countries onto our stunning campus. We have created country pages to provide you with specific entry requirements, forthcoming visits to your country, information on student life and much more.

On each page you can also read about the experiences of students from your country. Current students and alumni share their experience of the culture, studying in a different country and how they made the most of their time here.

You can also find out about forthcoming visits to your country.
