Join fellow University of Birmingham alumni, staff and students for the perfect start to the Christmas season.

Come back to campus for an uplifting and joyful carol service, organised by the University Chaplaincy and Department of Music and featuring carols, readings and festive poems, all in the beautiful surroundings of the Great Hall. Alumni are then invited to join us in the Rotunda for mulled wine (or fruit juice) and mince pies.

We have been unable to hire a stall at the Birmingham Frankfurt Christmas Market this year but we hope that you will join us to kick off the festive season at this ever-popular event.

Please feel free to pass details of this event to any Birmingham alumni we may have lost touch with. Non-alumni guests are also more than welcome.

Please let us know you are coming by registering via the link above.

As of 2 December, 94 alumni and guests have registered for this event. The following alumni have given their permission to be listed below:
