The Jubilee Centre For Character & Values - An Introduction to Three Flagship Research Projects

Date(s)	Tuesday 19th March 2013 (15:00-16:00)
Download	Add to Calendar (/events/arts-and-science/artscollecturetalks/Arts--Science-Festival-Thanks-or-No-Thanks.aspx?cal=true)

The Jubilee Centre is a pioneering interdisciplinary research centre focussing on character, virtues and values in the interest of human flourishing.

This session offers the chance to hear about the centre's three flagship research projects. Dr David Walker and Michael Roberts will discuss how character and virtue is being developed in schools across Britain, and what more can be done? Dr Liz Gulliford and Blaire Morgan will examine the conception, value and promotion of gratitude in society.

Dr Luca Baldini Confalonieri and Demelza Jones will explore the role of virtues and values in training and practice in three professions; medicine, teaching and law. These three short talks will be followed by refreshments, and an opportunity to discuss the projects with the researchers.

Date: Tue 19 Mar, 2-4pm

Venue: School of Education (R19 on the map), Room G39 (Ground Floor)

Booking: Free admission, booking required. Please email Blaire Morgan: b.e.morgan@bham.ac.uk

Organiser: Jubilee Centre for Character and Values, School of Education

This event is part of the University of Birmingham Arts & Science Festival (Monday 18 - Sunday 24 March 2013).
