Papers of former students, L-Z

These papers typically consist of course notes, essays and examination papers; correspondence; photographs and other material relating to individuals' time as students, and mostly relate to students who studied at the University during the first half of the twentieth century, although there are also papers of some later students, and a small amount of material relating to Mason College students.

Browse archives alphabetically

Law, John, BSc Physics, 1957: notes relating to lecture courses; copies of examination papers including class tests and course essays. Finding No: **USS35 (http://calmview.bham.ac.uk/Record.aspx?src=Catalog&id=XUSS35)**
