Programme

Specialist Registrars in Haematology are invited to attend this five day course which has been specifically designed for candidates aiming to sit the FRCPath exams in haematology.

Days 1-3: Problem orientated teaching and key note lectures in haematology aimed at candidates sitting FRCPath Parts I and II

Days 4-5: Practical exam topics and a mock exam aimed at candidates planning to sit FRCPath Part II

Delegates are welcome to attend either one or both parts of the course.

Invited speakers include:
Professor Steve Watson
Dr Peter Rose
Dr Tim Littlewood
Dr Jonathon Wilde
Dr Nick Jackson
Dr Will Lester
Dr Neil Smith
