Foundation

We will consider students who have obtained grades of 4/5 and above on the Attestat (Certificate of Complete Secondary Education) for entry to Birmingham Foundation Academy (to include 4/5 in Maths for our Engineering and Physical Sciences pathway).

Please visit the Birmingham Foundation Academy website for more information.

Undergraduate

The University will consider students who have taken GCE A Level examinations, the International Baccalaureate (IB), or a suitable foundation programme, such as the Birmingham Foundation Academy, for entrance to undergraduate programmes.

Postgraduate

Students with a good 5-year Specialist Diploma or 4-year Bachelor degree from a recognised higher education institution in Azerbaijan, with a minimum GPA of 4/5 or 80% will be considered for entry to postgraduate taught programmes at the University of Birmingham.

For postgraduate research programmes applicants should have a good 5-year Specialist Diploma (completed after 1991), with a minimum grade point average of 4/5 or 80%, from a recognised higher education institution or a Masters or “Magistr Diplomu” or “Kandidat Nauk” from a recognised higher education institution in Azerbaijan.

English Language

You may be required to provide evidence of your English ability. See the **entry requirements (/students/requirements/index.aspx)** page for specific programme requirements.

Scholarships

State Education Programme for Azerbaijani Youth Abroad

The University of Birmingham is proud to be an approved university under the MInistry of Education scholarship programme and has accepted students to study at Birmingham since the programme began. Details of the scholarship programme can be found on the Ministry's **website (http://xaricdetehsil.edu.gov.az/)**.

Islamic Development Bank scholarships

The Islamic Development Bank (IDB) is a multilateral financial development institution based in Jeddah, Saudi Arabia. The IDB was established with the purpose of fostering economic development and social progress in its member countries. You can find further information about the scholarship scheme on their **webpage (http://www.birmingham.ac.uk/international/students/finance/scholarships/ibdscholarships.aspx)**.

International Postgraduate scholarships

The **International Postgraduate scholarships (http://www.birmingham.ac.uk/international/students/finance/scholarships/intlscholarships.aspx)** are awards offered to one year masters overseas students.

Doctoral Researcher Elite scholarships

The University offers a range of **postgraduate scholarships (http://www.birmingham.ac.uk/students/fees/dr/elite.aspx)** designed to support international students studying research programmes at Birmingham.

Ruslan Talibov "Thanks to the support the University offered the scholarship scheme, I participated in many events where I met numerous interesting people including Professor David Eastwood, the Vice Chancellor of the University, and the Deputy Mayor of Birmingham.

The International Office at the University organised many programmes for the scholars and at the end of the year, the UK Foreign and Commonwealth Office held a

reception for all Chevening scholars in London. This was a particularly useful event as I had the chance to network with multinational officials with whom future relationships in business could flourish."

The University of Birmingham offers a range of part-fee scholarships for international students at both undergraduate and postgraduate level. For full information and to apply, please see the **Scholarships section (http://www.international.bham.ac.uk/prospective/scholarships/)** .

The British Council also offers details on **relevant scholarships (http://www.britishcouncil.org/kazakhstan-education-funding.htm)**

Visits to Azerbaijan

Staff from the University of Birmingham visit different countries throughout the year to meet with students, schools and universities. For full details of visits, please see the **Meet us in your country (/International/meet/index.aspx)** section.

Student life at Birmingham

There is a thriving student community at Birmingham and we very much look forward to you being part of it. To hear what **student life (/International/students/studentlife.aspx)** is like for our students, have a look at what our students say. Also, if you are unable to travel to campus yourself, visit our **You Tube channel (http://www.youtube.com/user/unibirmingham)** to watch films of our beautiful campus.

Student societies

Many nationality groups form student societies during their time at the University of Birmingham. This is an excellent way to keep in contact with home and also provides an opportunity to highlight your culture and customs in the UK.

Student societies are also a useful point of contact for prospective students to Birmingham who may want to contact current students for information.

You can find a full list of student societies on the **Birmingham Guild of Students website (http://www.guildofstudents.com)** .

Birmingham alumni activities in Azerbaijan

The University of Birmingham has many strong alumni groups all over the world. Alumni groups are an excellent way of keeping in contact with the University and with other graduates from Birmingham who live in your country. Some alumni groups meet on a regular basis for social and professional events.

If you would like to meet up with University staff when they are in your country or you would be willing to help promote the university at education exhibitions, we would also like to hear from you.

You can find out if there is an alumni group in your country or join our alumni mailing list on the **Alumni website (http://www.alumni.bham.ac.uk)** .
