MBA Open Events

We regularly organise MBA open events throughout the year which provide you with a great opportunity to find out more about our Full-time and Executive MBA programmes.

Learn more about our MBA programmes

- Meet staff and talk informally about the MBA courses to discover which programme is right for you.

Ask your questions

- Our MBA Recruitment and Admissions Officer, Victoria Harold, will be on hand to answer your questions.

Explore the School and campus

- Your visit will allow you to experience for yourself the University of Birmingham campus and the facilities that would be available to you at Birmingham Business School.

Networking opportunities

- Attending one of our open events will allow you to network with staff and current MBA students. This is a great opportunity to hear about studying at the Business School, as well as life at the University and the city of Birmingham, and ask any questions you may have to students who are or have experienced the Birmingham MBA.

If you would like to attend an open event or hear about future open events, please get in touch using the details below.
