Professor Deborah White (/schools/dentistry/staff/profile.aspx?ReferenceId=8758)

Professor of Dental Public Health

Deborah White is Professor of Dental Public Health and Director of Education and Senior Welfare Tutor in the School of Dentistry.

Her research interests centre on dental epidemiology and health services research. She has contributed to five major UK surveys of dental health, which have been funded by the Department of Health.

Mrs Penelope White (/schools/dentistry/staff/profile.aspx?ReferenceId=15040)

Clinical Lecturer

Penny White is a part-time Clinical Lecturer at the School of Dentistry, responsible for one-to-one teaching of third year dental students during patient treatment sessions. Outside of the School she is an associate General Dental Practitioner in a Private practice in Wolverhampton. Within the practice Penny has a special interest in Prosthetics and Periodontics.

Penny ...

Dr Malgorzata Wiench (/schools/dentistry/staff/profile.aspx?ReferenceId=73684)

Lecturer in Cancer Biology

Malgorzata Wiench is a Lecturer in Cancer Biology. Uniquely based between the School of Dentistry and the School of Cancer Sciences she aims to understand the mechanisms by which chromatin organization and DNA methylation regulate gene expression in health and disease and to develop the basis for patient-tailored epigenetic cancer therapies. The investigations focus on the role of nuclear ...
