Our partnerships are far-reaching and diverse. Successful businesses are crucial for economic growth and we believe that by partnering with us we can help to grow and continue the success of your business.

Contract research

Join forces with our researchers to work on your organisations specific research and development needs. Find out more about our **contract research (/partners/partner-with-us/contract.aspx)** .

Collaborative projects and partnerships

We can also work with you to develop strategic, collaborative partnerships involving other universities, businesses, public sector bodies, government and other funders to achieve a common and shared goal.

Some examples of our collaborative partnership opportunities are listed here.
