Social care for marginalised communities: understanding self-organisation for micro-provision (/schools/social-policy/departments/health-services-management-centre/news/viewpoint/2014/social-care-for-marginalised-communities.aspx)

Although adult social care works with some of the most disadvantaged and marginalised people in society, for various reasons mainstream services don't always get it right for people. That's why there are different forms and sources of care and support developing outside the mainstream.
