About

Sean Kehoe is a clinical academic managing the treatment of gynaecological cancers and precancers in women. He has over 20 years experience in these areas. His clinical work is based at City Hospital in Birmingham.

Qualifications

FRCOG 2005

MA Oxford University 2002

MD Trinity College Dublin 1998

DCH, Royal College of Surgeon of Ireland1985

MB BCh BAO BA Trinity College Dublin 1983

Biography

Sean Kehoe qualified at Trinity College Dublin and after obtaining his MRCOG came to the UK and took the post of CRC Fellow in Gynaecological Cancer at the University of Birmingham. He obtained an MD, and continued to work in Birmingham achieving subspecialty training in Gynaecological Oncology and was appointed a Senior Lecturer in Gynaecological Cancer.

He then moved to Oxford and as the Foundation Professor of Gynaecological Cancer he developed the Oxford Gynaecological Cancer Centre before returning to Birmingham to take up the Lawson Tait Chair in Gynaecological Cancer in December 2012.

He has lectured widely both nationally and internationally. In 2010 he was awarded the Boyle Memorial Medal by the Institute of Obstetricians and Gynaecologists of Ireland and was re-elected a Senior Research Fellow of St Peters College, Oxford in 2013.

Teaching

- Senior Academy Teacher – Oncology, City Hospital, Birmingham, Year 4 students
- Clinical teaching of undergraudates and post-graduates

Postgraduate supervision

In previous positions – PhD/MSc students

Research

Professor Kehoe's interests are in gynaecological cancer Clinical Trials. He has a major interest in ovarian cancer and the understanding of malignant changes which occur during therapy. (**More … (/research/activity/mds/domains/Cancer/CancerType/Gynae/Gynaecological-Cancer-Kehoe.aspx)**)
