Professor Jon Sadler (/schools/cem/staff/profile.aspx?ReferenceId=10201)

Professor of Biogeography
Head of Education

School of Geography, Earth and Environmental Sciences

Jon Sadler is a biogeographer and ecologist who focuses on species population and assemblage dynamics in urban and riparian environments. His research involves interdisciplinary science using a combination of detailed field studies and field experimentation. His work emphasizes the links between environmental variability and species responses, with particular emphasis on urbanisation and ...
