Dr Anna Lavis (/schools/haps/departments/primarycare/staff/list.aspx?ReferenceId=56092&Name=dr-anna-lavis)

Research Fellow

Primary Care Clinical Sciences

Anna Lavis is a Medical Anthropologist whose work focuses on individuals' lived experiences and subjectivities of mental illness and distress.

She conducts applied qualitative research into first-episode psychosis (FEP). To this there are two central strands:

1) The SUPEREDEN Study: Exploring the experiences of young people with FEP treated through ...
