Economics with Japanese BSc

The Economics with Japanese BSc degree at Birmingham Business School equips all graduates with the knowledge of an economist and the skill of a linguist to make a powerful combination in today's world.

With growing globalisation and increasing interdependence in political and commercial life, there is a clear need for economics graduates equipped with both these abilities.

- 85% of our graduates go on to careers in professional or managerial jobs
- 95% students believe that they have improved career prospects as a result of this course
- Average starting salaries for our graduates of £26,000
