Blog: From repression to co-production with citizens: Why we need behaviour change in healthcare (http://inlogov.com/2014/07/21/from-repression-to-co-production/)

Written by Jörgen Tholstrup. What's the mission of health care? I've been working as a physician and gastroenterologist both in Denmark and Sweden for more than 30 years. Over time, I've become more and more puzzled about our healthcare system and how otherwise responsible human beings can tolerate the way that common behaviourial rules are suspended when you access healthcare.
