Managing your money

Getting your finances under control before you arrive will allow you to relax and enjoy your time at University.

Plan your budget

Budgeting is one of the most important things that you will need to learn as a student. These resources will help you think about the money coming in and going out of your account and develop a balanced budget.

- **Budget planning advice from the Student Funding Office (/undergraduate/support/moneyadvice/resources.aspx)**

Funding and scholarships

Funding is available from both the government and the University to help you meet your living expenses.
