Dr Jun Mori (/schools/cem/staff/profile.aspx?ReferenceId=15288)

Research Fellow

Cardiovascular and Respiratory Sciences

Jun has been a member of the Birmingham Platelet Group as a British Heart Foundation Research Fellow since 2005. During this time, she has been jointly supervised by Professor Watson and Dr. Senis. She has a strong background in molecular and cellular biology and is familiar with all platelet biochemical and functional assays used in the group.

Mr Babu Naidu (/schools/cem/staff/profile.aspx?ReferenceId=71615)

Clinical Scientist

Cardiovascular and Respiratory Sciences

Mr Babu Naidu is based at the University Of Birmingham and an honanary Consultant Thoracic Surgeon based at Heart of England NHS foundation Trust, the largest thoracic surgical centre in England.

Professor Gerard Nash (/schools/cem/staff/profile.aspx?ReferenceId=75369)

Professor of Cardiovascular Rheology and Head of School of Clinical and Experimental Medicine

Cardiovascular and Respiratory Sciences

Gerard Nash originally trained as a physical scientist and is interested in understanding the processes of cell adhesion and migration, and the effects of blood flow on these processes, by application of well-defined, quantitative, in vitro models.

Gerard has published over 200 research papers in scientific journals as well as reviews and book chapters in the fields of ...

Dr Leyre Navarro-Núñez (/schools/cem/staff/profile.aspx?ReferenceId=68182)

BHF Postdoctoral research fellow

Cardiovascular and Respiratory Sciences

Leyre is a British Heart Foundation Postdoctoral Research Fellow in the Birmingham Platelet Group headed by Professor Steve Watson. Leyre has a strong background in platelet biology, haemostasis and signal transduction. Her current research project is focused on understanding the interaction between cells expressing CLEC-2 and podoplanin and unveiling the signalling and functional consequences of ...

Dr Anita Pye (/schools/cem/staff/profile.aspx?ReferenceId=15331)

Research Fellow / Clinical Trials Co-ordinator

Cardiovascular and Respiratory Sciences

Anita Pye is a Research Fellow in the School of Clinical and Experimental Medicine working in Clinical Trials.

Telephone +44 (0) 121 371 3886 (tel:+44 121 371 3886)

Professor Ed Rainger (/schools/cem/staff/profile.aspx?ReferenceId=6873)

Professor of Chronic Inflammation

Cardiovascular and Respiratory Sciences

Ed Rainger is Reader in Chronic Inflammation in the School of Clinical and Experimental Medicine. Ed has published over 80 research papers, reviews and book chapters in the field of inflammation research with a particular focus on vascular inflammation leading to atherosclerosis.

Ed is Deputy Director and Cardiovascular Theme Coordinator of the School of Clinical and ...

Dr Clare Ray (/schools/cem/staff/profile.aspx?ReferenceId=6807)

Lecturer in Cardiovascular and Respiratory Science

Cardiovascular and Respiratory Sciences

Clare Ray is a lecturer in Cardiovascular and Respiratory Sciences. She is principally an *in vivo*physiologist and her research interests are in the area of cardio-respiratory integration and control. Clare's work has focussed on the control of oxygen delivery particularly in response to systemic hypoxia (acute, chronic and intermittent) and exercise, on which she has published a ...

Dr Elizabeth Sapey (/schools/cem/staff/profile.aspx?ReferenceId=15340)

Clinician Scientist

Cardiovascular and Respiratory Sciences

Dr Sapey's goal has always been to pursue a career in Academic Respiratory Medicine. She is excited by the prospect of applying her evolving understanding of neutrophil function and trafficking to developing new therapeutic strategies in COPD. Her goal over the next 10 years it is to extend her expertise in neutrophil biology, to develop a team to investigate inflammatory signalling ...

Dr Barney Scholefield (/schools/cem/staff/profile.aspx?ReferenceId=81895)

Consultant Paediatric Intensivist & Honorary Senior Research Fellow

Cardiovascular and Respiratory Sciences

Dr Barney Scholefield is a clinical academic researcher within the field of paediatric neuro-critical care. He is based as a consultant at the Paediatric Intensive Care Unit, Birmingham Children's Hospital and works in partnership with the University of Birmingham's Perioperative, Anaesthesia and Critical Care Trials (PACCT) Group.

Email b.scholefield@bham.ac.uk (mailto:b.scholefield@bham.ac.uk)

Professor Yotis Senis (/schools/cem/staff/profile.aspx?ReferenceId=8217)

British Heart Foundation Senior Research Fellow

Cardiovascular and Respiratory Sciences

Yotis is a British Heart Foundation Senior Research Fellow in the School of Clinical and Experimental Medicine and a senior member of the Birmingham Platelet Group. He was appointed Chair in Cellular Haemostasis in 2013. His main research interests are platelet protein-tyrosine phosphatases and how they regulate platelet activation, thrombosis and haemostasis.

Yotis ...
