Saving Humans: Risk, Intervention, Survival
'Saving Humans' is an innovative and timely theme which consolidates existing University research agendas, provides opportunities for creating novel and exciting partnerships, transcends divides between arts, social sciences and natural sciences and, most importantly, addresses broader issues of social, political and moral concern for humanity's future.
Theme Leaders: Professor Heather Widdows (http://www.birmingham.ac.uk/staff/profiles/philosophy/widdows-heather.aspx) , **Professor Paul Jackson (http://www.birmingham.ac.uk/schools/government-society/staff/profiles.aspx?ReferenceId=4483)** and **Professor Nick Wheeler (http://www.birmingham.ac.uk/schools/government-society/staff/profiles.aspx?ReferenceId=24556)** .

- Director of the **Institute for Conflict, Cooperation and Security (ICCS) (/research/activity/conflict-cooperation-security/index.aspx)**
