Lost Alumni, Class of 1968

The Alumni Relations Office has lost contact with the alumni below and would like to know their current whereabouts. In most cases, this is because they have moved house, but may also be because they do not wish to receive the annual Birmingham Magazine and Newsletter, or have passed away. If you recognise a name on this list and are able to provide some new information, we would appreciate the opportunity to update our database. Our contact details are to the right.

Lost Alumni, Class of 1968

The Alumni Relations Office has lost contact with the alumni below and would like to know their current whereabouts. In most cases, this is because they have moved house, but may also be because they do not wish to receive the annual Birmingham Magazine and Newsletter, or have passed away. If you recognise a name on this list and are able to provide some new information, we would appreciate the opportunity to update our database. Our contact details are to the right.
