Explore Birmingham

We've launched our prospectus for 2014 entry and are running five Open Days this year to give you the opportunity to explore the University and the city for yourself.

Our Undergraduate Open Days offer you the perfect opportunity to hear first-hand from our current undergraduates and teaching staff about living and learning at Birmingham.

Our 2014 Undergraduate prospectus is now available, giving you information on all the programmes we offer, as well as useful information and recommendations from our current students and graduates about life at Birmingham.

You can **request a prospectus or book onto an Open Day (http://bham.hobsons.co.uk/emtinterestpage.aspx?ip=openday)** in one easy, online form. We'll also create a personalised web page for you, called Birmingham VIP, which will help you to find out more about Birmingham from students, lecturers and recent graduates.
