Medical Appeals

The University of Birmingham is at the leading edge of cancer research, and we would like to involve our alumni and supporters in taking this work to the next step, for the benefit of the wider community.

There are three key areas in health research we would like your help in, and these are:

- **Brain cancer in children (/alumni/giving/Childrens-brain-cancer.aspx)**
- **Breast cancer (/alumni/giving/Breast-cancer.aspx)**
- **Prostate cancer (/alumni/giving/Prostate-cancer.aspx)**

With your support, our researchers are in a unique position to make a difference not only to those living with cancer in the UK, but also in developing research in the rest of the world.

If you would like to discuss your personal giving please contact Emma Hazlewood, Development Administrator, in our fundraising team at **e.j.hazlewood@bham.ac.uk (mailto:e.j.hazlewood@bham.ac.uk)** or +44 (0)121 414 7957.
