International Network for Research on Asset Policies (INRAP) (/schools/social-policy/departments/applied-social-studies/news-and-events/2014/07/international-network-for-research--on-asset-policies.aspx)

We are pleased to announce the launch of a new initiative – The International Network for Research on Asset Policies (INRAP) – which aims to bring together for the first time, academics, policymakers, research centres and networks, working within the broad area of 'asset-based' policies.

The essence of community hospitals (/schools/social-policy/departments/health-services-management-centre/news/viewpoint/2014/the-essence-of-community-hospitals.aspx)

The statement from Simon Stevens about the role of small hospitals in the NHS is welcome, and unexpected. Those communities who are actively campaigning to keep their valued local hospitals are stopped in their tracks. Can this be right – does the NHS have room now for community hospitals as part of its infrastructure? A clear message from the CEO of the NHS would suggest so.

50 faces of CREES #53 - Dr Tim Haughton (http://www.birmingham.ac.uk/schools/government-society/departments/russian-east-european-studies/50-anniversary/profiles/tim-haughton.aspx)

I arrived in CREES in September 2003 initially on a three year contract to cover for Judy Batt, but have been here ever since, serving most recently as Director of CREES from 2012-14. In that post, it was a pleasure and an honour to initiate and lead the 50th anniversary celebrations (including arranging the 50+ faces of CREES!), particularly the special annual conference which so many CREESniki attended.
