ILLUMINATING
FUTURES

STEMNET

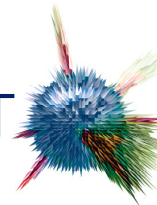

science, technology, engineering, maths

STEMNET creates opportunities to inspire young people in Science, Technology, Engineering and Mathematics (STEM)

**STEM
AMBASSADORS**
ILLUMINATING
FUTURES

STEMNET

science, technology, engineering, maths

STEMNET helps young people and their teachers access a range of STEM Enhancement & Enrichment (E&E) opportunities

**STEM
AMBASSADORS**
ILLUMINATING
FUTURES

STEMNET

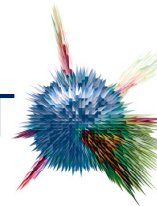

science, technology, engineering, maths

STEMNET helps more than 3,000 STEM employers to create effective links with education

**STEM
AMBASSADORS**
ILLUMINATING
FUTURES

STEMNET

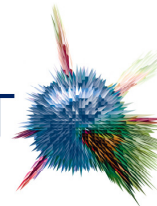

science, technology, engineering, maths

More than 29,000
approved
STEM Ambassadors
volunteer as inspiring role
models for young people

**STEM
AMBASSADORS**
ILLUMINATING
FUTURES

STEMNET

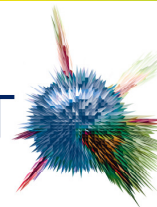

science, technology, engineering, maths

The **STEM Clubs Network** allows young people to explore STEM in a stimulating learning environment

**STEM
AMBASSADORS**
ILLUMINATING
FUTURES

STEMNET

science, technology, engineering, maths

The vision is to create
**‘University STEM Club
clusters’** where one HEI
‘adopts’ a number of schools
which are affiliated to the
STEM Clubs Network and
have active STEM Clubs.
