**Meal Plan Accommodation Residents Only**

“Meal Plan accommodation” means that your residence fees include both your accommodation and catering provision. For more details on the catering element please refer to the Meal Plan Frequently Asked Questions (FAQ) Leaflet available in the accommodation offer pack information via [http://www.birmingham.ac.uk/students/accommodation/OfferpackInformation.aspx](http://www.birmingham.ac.uk/students/accommodation/OfferpackInformation.aspx)
B. HOW TO SECURE YOUR ACCOMMODATION

If you wish to accept the University’s offer of accommodation you must accept online and make a minimum £550 pre-payment or payment in full, within 4 days of receipt of the offer.

When you accept the University’s accommodation offer, you will need to select your intended method of payment for the balance of the residence fees. The remaining balance can either be paid in full, or through the University’s instalment scheme.

Please note that once you have opted for a particular method of payment, you will not be able to change it during the Accommodation Period.

If you select to pay the residence fees by instalment, the £550 pre-payment will be deducted from your total residence fees, and the remaining balance will be divided into equal instalments, with any odd pence being added to the first instalment.

CANCELLATION: When you have accepted and made payment on-line, you have the right to withdraw your acceptance of the offer and cancel the contract, provided you do so in writing, quoting your student ID number to LIVING (Accommodation Services), University of Birmingham, University Centre, Edgbaston, Birmingham, UK, B15 2TT, or email to living@contacts.bham.ac.uk within 7 days beginning the day after the date on which you accept this offer of accommodation.

The right does not apply where the accommodation is available for occupation before the end of the 7 day period and you have taken up occupation.

If you decide not to move into the accommodation reserved for you after you have accepted the University’s offer, then you must let Accommodation Services know in writing immediately so that the University can try to re-let the accommodation. The University shall be entitled to deduct its reasonable administrative costs together with the amount necessary to cover residence fees for the period that the accommodation remains unlet before refunding the remaining balance held back to you.

You will need to show photographic identification when you arrive to pick up the keys to your accommodation.

Please note that your Accommodation will NOT be secured for you unless you accept online and make a minimum £550 pre-payment.

C. THE UNIVERSITY’S OBLIGATIONS – our responsibilities to you

1. The University will provide you with a reasonable standard of accommodation where you can live and study with as few problems as possible.

2. We will use our best endeavours to ensure that any repairs or cleaning services are carried out promptly and in an efficient manner.

3. We will use our best endeavours to provide adequate heating and lighting in the Accommodation. But the University cannot accept responsibility for the failure of any services in the Accommodation, which are outside its control.
4. The University reserves the right to enter and search your Accommodation with the consent of the Village Manager or equivalent, in the interests of safety, health or the maintenance of law and order or to carry out essential repairs or maintenance.

5. We will carry out a routine inspection at least termly in each Residence. If access is required to inspect your Accommodation you will be given at least 24 hours’ notice in advance.

D. **THE STUDENT’S OBLIGATIONS – your responsibilities**

1. **HEALTH AND SAFETY**

   a. In order to ensure your health and safety you should report any defects or repairs needing attention to the Village Manager as quickly as possible.

   b. Please do not authorise any contractors to do repairs without written permission from the Village Manager or you may be held responsible for paying the bill. If additional damage is caused to the Accommodation due to failure to report defects and repairs promptly, additional charges may be incurred for which you might be held responsible.

   c. You must **NOT** keep bicycles or motorcycles in the Accommodation or common parts. Dedicated areas for bicycle storage are available at each Village. The University has the right to remove and subsequently dispose of any bicycle or motorcycle left in breach of this condition, and will not accept liability for damage to or loss of such items. We have guidelines relating to Health and Safety at [www.bham.ac.uk/SafetyUnit/](http://www.bham.ac.uk/SafetyUnit/) which are implemented for the general welfare of all our students.

2. **FIRE SAFETY**

   a. You should familiarise yourself with the fire and safety procedures and the appropriate escape route in the event of a fire alarm in your Residence. You must abide by all fire or safety regulations and co-operate with the emergency services (including Security and other personnel). You must **NOT** interfere with any fire or safety appliances. You should be aware that interference with or misuse of fire fighting equipment or alarm systems is a criminal offence and will be treated as such by the University.

   b. You should never cook in the study bedrooms of the Accommodation due to the fire risk.

   c. The Accommodation is **Smoke Free** and designated as **No Smoking.** You or your guests must **NOT** smoke anywhere within the Accommodation or in the common parts of the Residence.

      Smoking is only permitted in designated areas outside of the Accommodation which are clearly marked. For more information please contact your Village reception.

   d. You are **NOT** permitted to use any inflammables, candles, incense sticks, any apparatus using halogen bulbs or halogen heaters and chip pans within the Accommodation since these pose a serious fire risk not only to yourself but also to others. The University (acting reasonably and in the interests of fire safety) reserves the right to remove any such items into safe keeping which you can reclaim from the Village Manager when you move out of your Accommodation.

   e. If any fire extinguisher is discharged without proper cause by you or your visitors you will be liable to pay the cost of refilling the fire extinguisher plus an administrative charge not to exceed £50.00.

   f. If any fire alarm is activated without proper cause by you or your visitors you will be liable to pay a charge of £40.00. If fire/smoke/heat detectors are tampered with you will be liable to pay a safety check charge of £40.00.

   The above does not preclude any other action that the Fire Authority or the University may decide to take.
3. ELECTRICITY AND GAS SUPPLIES

a. You are responsible for replacing low energy light bulbs with the same type bulbs in your Accommodation.

b. You must check that your own electrical appliances are made to British Standard and are wired correctly. You are responsible for replacing fuses with the same type in your own electrical appliances. Seek advice from Accommodation staff if you are unsure. The University reserves the right to remove any unsafe or faulty electrical appliances found in your Accommodation. Students can reclaim these from the Village Manager when they move out of the Accommodation.

c. If you are living in Accommodation with its own gas central heating boiler, you must report any defect in its performance to the Village Manager immediately. If you suspect a gas leak, turn off the main gas tap to the flat and ring National Grid immediately (Telephone: 0800 111 999).

4. SECURITY

a. The University will not be liable for injury or the loss of, or damage, to any personal property in University accommodation except in cases of negligence on its part. Personal possessions insurance cover is provided within your Residence Fees. You are required to familiarise yourself with the cover provided by the insurer (as set out in their documentation supplied to you) and to arrange for additional cover, where required, yourself. Please note that cover is only provided for the Accommodation Period. You should report non-receipt of the relevant insurance documentation to Accommodation Services and the documentation will be forwarded to you.

b. If your personal belongings and property, including bicycles, cars, clothing, furniture, foodstuffs, books and University coursework are not removed from the Accommodation by the end of the Accommodation Period they will be removed and subsequently disposed of without liability on the part of the University.

c. The University has installed close circuit television (CCTV) on some of the Residences where images are recorded continuously and monitored from reception areas for security purposes. You must not tamper with this apparatus.

d. Under the provisions of the Data Protection Act 1998, if you wish to see an image(s) of yourself or any personal information regarding yourself you need to submit a “subject access request” in writing to the University’s Information Compliance Manager in Legal Services who will investigate whether the image(s) is still in existence and whether to release the image(s) or the personal information. There is currently a charge of £10 for this service and you should include a cheque for £10 payable to “The University of Birmingham” with your “subject access request”.

5. KITCHEN FACILITIES, FOOD STORAGE, WASHING FACILITIES, FURNISHING, CLEANING ROUTINES AND OTHER MATTERS

a. You must not use or install any cooking, heating, washing, drying or refrigeration appliances in the Accommodation which have not been supplied by the University, unless permitted to do so in writing by the University.

b. You must keep your study bedroom clean and tidy and this includes any en suite facilities provided.

c. You must ensure that all refuse is safely disposed of on a daily basis and not left to accumulate in the Accommodation. All rubbish and kitchen waste must be put into sealed bags and placed in the containers provided for refuse disposal.
d. All glass, bottles, plastic, paper and recyclable materials should be taken by you and placed in the designated recycling points regularly and not left to accumulate in the Accommodation.

e. When the Accommodation is shared by a group of students, the cleaning of the communal areas, including the kitchen, is the joint responsibility of the residents of that Accommodation. It is suggested that a weekly cleaning rota is the best way of ensuring that the Accommodation is kept clean and each student should do their fair share and not expect other students to cover for them.

f. If your fridge/freezers are not frost free appliances, you must defrost them regularly, preferably at least once every term.

Disciplinary action may be taken against any student who fails to abide by these conditions and the University reserves the right to arrange for cleaning and to charge you a fair and reasonable amount to cover its administrative costs, not to exceed £50 in addition to any cleaning costs in doing so.

6. MAINTENANCE AND REPAIR

a. You must reimburse the University for the reasonable cost of repairs and making good any damage or loss to the Accommodation or fixtures and fittings, equipment, furniture or floor coverings including the common parts of the Residence, the building or University property (including an administration charge which shall not exceed £50) for which you or your guests are held responsible.

b. You should familiarise yourself with the location of the main gas and water stopcocks and be able to turn them off in cases of emergency.

c. You must take care when hanging posters or pictures not to mark the walls. Please use the notice board/pin board provided. You must NOT drill holes in the walls to erect shelving or otherwise without written permission from the Village Manager.

d. You must take reasonable steps to ensure that no damage is caused to the Accommodation during the winter as a result of burst pipes.

e. You must not attempt to alter, add to, or in any way interfere with the construction, arrangement or services of the Accommodation, including external fixtures or fittings, locks, door or window closures or electrical fittings.

f. You are not permitted to erect aerials or satellite dishes in the Accommodation. Television is available through the IPTV system supplied through the prevailing 3rd party telecommunications provider.

g. You must not attempt to cover or block any ventilation grilles, which could result in dampness in the Accommodation due to condensation.

h. No telecommunications points and equipment other than the prevailing 3rd party telecommunications provider is to be installed and/or connected in the Accommodation without the prior written consent of the University.

7. ENVIRONMENTAL QUALITY AND ENERGY

The University is committed to the conservation and improvement of the environment and to minimising the environmental impact arising from its activities. As a resident of University accommodation you have a major part to play in helping us to achieve our objective to sustainability and conservation of the environment. If your Accommodation is too warm, where you have control over your heating, we would ask you to turn down the heating rather than open the windows with the heating on, thus reducing energy use, costs and for environmental reasons.
In order to see Section 4, Environmental Quality in the relevant Code of Practice for your Accommodation, detailing more advice and information on energy efficiency, please go to http://www.birmingham.ac.uk/students/accommodation/Codeofpractice.aspx

Included within your Residence Fees is an allowance to cover the average cost of providing Utility Services to your Accommodation for the Accommodation Period based on the previous year’s expenditure for that Residence.

a. We would ask you to be sensible with regard to your usage of these essential utilities to help the University keep its carbon emissions and energy costs to a minimum. You must try to help us conserve energy and these resources or not use these utilities in a wasteful way. We also reserve the right to make an additional charge to reflect a fair and reasonable proportion of the additional cost of electricity and gas used in your Residence during the Accommodation Period over and above the allowance we already made within your Residence Fees. Should we have to make such an additional charge we will give you notice of the amount and a reasonable amount of time to pay together with a breakdown of the increased electricity and gas costs that the University is trying to recover a fair and reasonable proportion of.

b. The University has a very limited number of parking spaces on its residential sites and therefore you are not encouraged to bring your own vehicle.

c. You are NOT permitted to park vehicles at Jarratt Hall, except for blue badge holders by prior arrangement with reception for drivers who require access to a mobility parking space.

The Vale Village and Pritchatts Park Village have a limited number of mobility parking spaces which operates on the same basis as Jarratt Hall above.

In addition, the Vale Village and Pritchatts Park Village have a limited number of parking spaces. Permits are available from reception. At the Vale Village, permits are currently charged at £220 for 42 weeks or £80 for the Autumn and Spring Terms, or £60 for the Summer Term. Please note this operates on a first come first serve basis due to the limited availability of parking spaces. Visitors parking permits are available at a cost of £1.50 per day; please contact the Vale Village reception on arrival for more details.

We currently work with UKPC, a parking enforcement agency, to control unauthorised parking on the Vale Village. Please note that any cars parked without displaying an appropriate permit or with a permit but parked in a restricted areas will be subject to a penalty charge, currently £60, with escalating charges for late payment.

8. LANDLORD AND STUDENT/TENANT RELATIONSHIP

a. You are not permitted to have children staying in your Accommodation.

b. No more than the allocated number of persons should reside in the Accommodation and the person actually occupying the Accommodation should be the named person specified on your E-Contract.

c. In some Residences it may be possible to have a guest staying overnight. This may be in a specified guest bedroom, which can be booked from the Village Manager upon payment of a fee. Where no guest bedroom is available you may, at the sole discretion of the Village Manager, accommodate a visitor in the Accommodation for a maximum of two nights in a row on an occasional basis only. For fire safety reasons any visitor's presence must be notified to the Village Manager or other designated person (who has responsibility for evacuation). This procedure may be varied at the discretion of the Village Manager.

9. RESIDENCE FEES AND CONTRACTUAL RELATIONSHIP

a. You must pay your Residence Fees at the times and in the manner set out in the E-Contract, without deduction or set-off. If you have any concerns or complaints regarding
your Accommodation you are NOT permitted to withhold Residence Fee payments. We would advise you to raise your concern immediately at the Village Reception or Accommodation Services, whichever is appropriate. Or register your concern under the Student Accommodation Complaints Policy and Procedures, a booklet and form is available at your Village Reception, Accommodation Services or on-line at http://www.birmingham.ac.uk/Documents/students/accommodation/complaints/Accommodationcomplaintform.pdf

b. You must notify the Finance Office or Accommodation Services immediately in writing if you are in financial difficulties and unable to pay your Residence Fees on their due date outlining your difficulties and your proposals for payment.

c. An offer of accommodation is accepted by you on the understanding that you will remain in the Accommodation for the full Accommodation Period. If you move out of the Accommodation before the end of the Accommodation Period, you will remain responsible for the Residence Fees for the entire Accommodation Period unless you find a student to replace you who is both acceptable to Accommodation Services and is someone who is not already living in other University owned or managed accommodation. Partial refunds of Residence Fees are only given where the University is able to re-let the Accommodation for the remainder of the Accommodation Period. Refunds will be made by the University where reasonably considered appropriate by Accommodation Services, the University having first deducted a fair and reasonable amount to cover its administrative costs, not to exceed £50, and also cleaning costs and for repairs of any damage caused to the Accommodation during your occupation.

d. The absence of a signed contract does not materially affect the relationship between the Student and the University. A contract is formed by the making of an offer and the student accepting the offer. The act of accepting and signing for the keys to their Accommodation and moving in proves the existence of a contractual relationship and does not have to be evidenced by a signed contract. You will still be bound by the provisions of this contract without signing it should you sign for keys and move in.

e. You must clear, clean and vacate the Accommodation by no later than 10.00 am on the day the Accommodation Period ends otherwise Residence Fees will continue to be charged at the full rate until this has been done. You must return the original (not duplicate) keys to the Reception/Village Manager and they must not be handed to another student. If keys are not returned on the day your contract ends, you will be charged £75.00 for the cost of the replacement lock and keys.

f. The University reserves the right to change the location of your Accommodation and in accepting our offer of accommodation you agree that you will move when requested from one room to another on the same site or to another Residence.

If you are a student without a mobility disability occupying a mobility adapted room you should be aware that you will be expected to move out to a standard unadapted room on the same site or to another Residence whenever the University so requires, for a student with a mobility disability, giving you at least one week’s notice.

g. You are permitted to request a transfer to another room on the site or to another University Residence, subject to availability. You will be charged £52 as a contribution towards the University's administrative and cleaning costs.

h. Please note that an application for accommodation is not an application for admission to the University as a student or vice versa.

i. You will be required to vacate the Accommodation if you withdraw from your studies and cease to be a registered student OR in the event that you are formally excluded from the University for whatever reason OR in the event that you are granted a formal leave of absence from the University (upon receipt of the University’s notice to vacate) OR if you commit serious or persistent breaches of this Contract including Section D, the Student’s obligations (upon receipt of the University’s notice to vacate). In such cases you will be required to pay one month’s rent in lieu of notice or until the room is re-let, whichever is the earlier.
j. If you are in arrears with the payment of Residence Fees (or any other payment due and
owing under this Contract) then the University reserves its rights to take both enforcement
action for non-payment and also to issue a notice for you to vacate the Accommodation
should it so decide necessary.

k. The Student confirms that the University is hereby authorised to release
information confirming their rental payment history in relation to the
Accommodation to third parties who specifically request a credit reference for that
Student from Accommodation Services in relation to future accommodation.
History of late or non-payment of Residence Fees will be passed on. Please note
that no comments will be made on any other matter without your written authority and as
a matter of policy the University does not comment on the good character or otherwise of
individuals.

l. The University shall not be liable in damages and you shall not have the right to terminate
this Contract for any delay or default in performance of the obligations under this Contract
if such delay or default is caused by reasons beyond the University’s control including, but
not limited to, war, national emergency, terrorism, government restrictions, acts of god,
industrial action, unforeseen closure of the University and/or unavailability of key
personnel provided that the University gives you notice of the reasons for such delay or
default and uses reasonable endeavours to confirm when the Contract is likely to resume.

- Shared living and accommodation related issues
- Your academic course
- Financial matters

Mentors are students, both undergraduates and postgraduates from the UK and abroad, who work in University residences to help their fellow students overcome issues related to the above. Student Mentors are recruited, trained and supervised by professional Student Support Advisors.

The scheme offers help to students through casework or one to one mentoring, through proactive campaigning about relevant student issues such as finance, or by referring out to another support service.

The Student Mentor Scheme also provides a large Welcome Team which will assist students upon arrival with moving into University accommodation and will visit flats over the first few weeks of the academic year to help with any queries which may arise. G. STUDENT DISCIPLINE

1. The University has a responsibility to uphold the law and therefore any illegal activity brought to the attention of the University authorities may lead to prosecution by the police, or to disciplinary action by the University, or both. The University operates a clearly defined disciplinary framework, which deals with behaviour which may not be illegal but which is unacceptable. Breach of the Residences rules is considered to be unacceptable behaviour. For full details of the Code Of Practice On Discipline In Residences please go to http://www.as.bham.ac.uk/legislation/docs/COP_Discipline_in_Residences.pdf

2. The University legislation, which defines the disciplinary framework, is detailed in Regulation 8 (where fitness to practice applies). All University legislation is published electronically on the University website http://www.as.bham.ac.uk/legislation/

3. The Village Manager has powers to deal with alleged minor offences summarily. Alternatively if the student does not wish the matter to be dealt with summarily it may be referred to Student Conduct. Any alleged offence may be referred to the Registrar and Secretary of the University to be dealt with under Regulation 8 (where fitness to practice applies) and more serious offences will also be referred.

4. The University makes due provision for students to appeal against disciplinary action which they believe to be unfair or unjust. It is essential to follow the procedure laid down in University legislation. But the general principle is that the appeal is to a higher authority and must be made in writing within 10 working days.

5. It should be noted that the University reserves the right to take disciplinary action against students for unacceptable behaviour, which takes place in the wider community. Such behaviour may be reported to the University authorities by the police.

6. Furthermore, it is a matter for the judgement of an authorised member of staff of the University whether to call the police to any incident in or near a Residence. It is normal for University disciplinary action against a student to be suspended if the police are dealing with that student until such time as the police action comes to an end. It is a University offence to be found guilty of a criminal offence by a court of competent jurisdiction and it is also a University offence to be cautioned by the police. Police action may well be followed by University action.

7. The Terms and Conditions of this contract do not override amend or vary the University's Regulations on discipline in any way and if there shall be conflict between the two then the Regulations on discipline shall take precedence.

All University legislation is freely available on the University website www.as.bham.ac.uk/legislation/
