Welcome

WELCOME TO OUR GLORIOUS CAMPUS. WE REGULARLY ATTRACT MORE THAN 20,000 VISITORS TO CAMPUS ON OPEN DAYS AND, AS YOU LOOK AROUND TODAY, IT IS EASY TO SEE WHY. OUR BEAUTIFUL, GREEN 250-ACRE ESTATE OFFERS YOU A SAFE, FRIENDLY ENVIRONMENT WITH ALL THE FACILITIES OF A SMALL TOWN AND IS JUST A FEW MINUTES FROM THE VIBRANT CITY CENTRE.

This open day will give you a taste of our university and provide you with all the information you need to make an informed choice about where to study. There are talks and displays as well as the opportunity to meet the students and staff who live and work here. Please make time to talk to them and ask lots of questions, and we hope you leave with a picture of the real Birmingham.

As you explore campus today you will see that Birmingham is going through an exciting and transformational redevelopment, the most significant our historic campus has seen since its original buildings were completed in 1909.

The University is currently undergoing a £500 million estates development programme and over the next five years we will continue to invest and add to our exceptional facilities for

students, researchers, and the wider community to enjoy.

Birmingham is acknowledged as one of the world's greatest universities. We are proud to offer an outstanding educational experience delivered by excellent teachers in a global university renowned for its research and teaching. Here you can continue to unlock your potential knowing you have access to and support from some of the finest academic minds in the world.

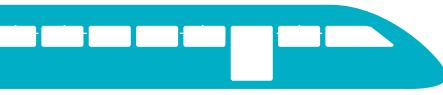

Preparation for your future career is likely to be a key consideration as you choose a university. From tailored careers guidance and global internship opportunities to an accredited personal skills programme and mentoring from our impressive alumni network, the wide range of options available to you will ensure that you are uniquely prepared for life

after university. So it is no surprise that we have been named University of the Year for Graduate Employment in *The Times* and *The Sunday Times Good University Guide 2016*. An accolade which places Birmingham as the UK's number one university for securing a graduate-level job.

I hope that you enjoy your visit today and gain a valuable insight into what it is like to study at a leading global university. Take home with you the knowledge that if you choose Birmingham you will be choosing to become part of one of the world's great universities. We will then be delighted and privileged to welcome you as Birmingham becomes your university.

With best wishes
Professor Sir David Eastwood
Vice-Chancellor

How to reach the University

CATCH THE TRAIN FROM BIRMINGHAM NEW STREET STRAIGHT TO UNIVERSITY STATION IN EIGHT MINUTES

The University has a very limited number of car parking spaces on open days and as the majority of visitors will be unable to park, we strongly recommend where possible, for visitors to use public transport.

By rail

Being the only university in mainland UK with its own station, the easiest way to reach the University is by train. Most cross-country services to Birmingham arrive at Birmingham New Street station and up to six trains an hour depart for University on the cross-city line (final destination Longbridge or Redditch). The journey time usually takes less than ten minutes, while the centre of the main campus is a five-minute walk from University station. Student ambassadors (wearing lime green shirts) will be present at Birmingham New Street station to direct you. Your final destination for purchasing train tickets will be 'University (Birmingham)'.

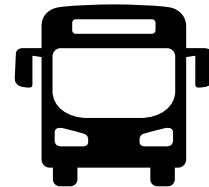

LIMITED PARKING

Parking on campus

Parking on open days is extremely limited and the majority of visitors will be unable to find a space on campus. We therefore recommend that visitors use public transport to reach the University or find alternative parking in and around the city. The University has three main car parks: North East (B15 2SA), North (B15 2SB) and Pritchatts Car Park (B15 2QU) (free of charge); parking will also be available at the West Car Park (near the Medical School) on Vincent Drive on Saturday only, however please note that these are used by staff and students and fill up very quickly and therefore we cannot guarantee a space for visitors.

PARK AND RIDE

Park and ride

In addition to University parking there is an overspill park and ride car park with some limited parking. This is based at King Edward's School playing field (B29 7IX – the playing fields is a left turn if approaching from the city centre, just before the Eastern Road turn) on the Bristol Road. Park and ride will be operating on a first-come, first-served basis. Shuttle buses to and from the University will be running throughout the day, dropping off and picking up from outside University Centre (building R23 on the map on the back page).

The first park and ride will leave King Edward's School playing field at 8.30am. The last bus will leave University Centre at 4.30pm. There is no charge for the park and ride car park.
