SCAN ME

Welcome

Welcome to our glorious campus. We regularly attract over 15,000 visitors to our campus on open days and as you look around today it is easy to see why: our beautiful 250-acre estate offers you a safe, friendly environment with all the facilities of a small town, which is itself on the doorstep of one of the most vibrant cities in the UK. Our open days are designed to give you a taste of our great university and provide you with all the information you need to make an informed choice. There are talks and displays but, more importantly, there will be an opportunity to meet the students and staff who live and work here, and we hope you leave with a picture of the real Birmingham.

At Birmingham our academic standards are high. You will learn from world-leading experts and as such we want you to be challenged and to think for yourself. We have a long tradition of innovation and our research continues to have impact across the world. You will be studying in the heart of this academic community and as such will learn skills in critical enquiry, debate and self-motivation. We understand that this is likely to be different from the way you have studied in the past so rest assured that we will support you in making this transition to studying at a leading university. We have created and continue to invest in an academic environment that will help you succeed, from support from your tutors and lecturers to facilities for you to work whenever and however suits you. This year we are introducing two new exciting degrees: Pharmacy, designed specifically to meet the needs of the future pharmacist, and the Bachelor of Liberal Arts and Sciences, a programme recognised internationally as a development ground for the next generation of leaders.

Preparation for your future career is likely to be at the forefront of your mind as you choose a university. We realise that your time at Birmingham is about more than your academic studies – it is about equipping yourself with the right skills to ensure that you succeed in a competitive employment market. From tailored careers guidance and high-quality internships to an accredited personal skills programme to global internship opportunities, the wide range of options available to you will ensure that you are uniquely prepared for life after university.

I hope on your visit today you experience the sense of Birmingham being not just a university, but your university. If you do, you will benefit from Birmingham's eminent history, relish everything it has to offer to the modern student, and play your part in shaping the future of this dynamic university.

With best wishes

Professor David Eastwood
Vice-Chancellor

At almost 100m, the University clock tower, known to students as 'Old Joe', is the tallest freestanding clock tower in the world.

At 17 feet 3 inches across, it is possible to drive a double-decker bus through the clockface of 'Old Joe'.

A nest box has been placed at the top of the clock tower where a pair of peregrine falcons nest every year.

How to reach the University

We are pleased that you are planning to attend our open days this year. As part of our commitment to reducing our impact on the environment, we would strongly encourage you to travel by public transport when you visit the University.

Each year we welcome some 15,000 visitors to our open days; as a result, the adjacent roads and University car parks fill up very quickly. The University has only a limited number of car parking spaces on open days and we strongly recommend, where possible, for visitors to use public transport.

By rail

Being the only university in mainland UK with its own station, the easiest way to reach the University is by train. Most cross-country services to Birmingham arrive at Birmingham New Street station and up to six trains an hour depart for the University on the cross-city line (final destination Longbridge or Redditch). The journey time usually takes less than ten minutes, while the centre of the main campus is a five-minute walk from University station. Student ambassadors (wearing lime green shirts) will be present at Birmingham New Street station to direct you.

Useful links

Travel information, maps and directions:
www.birmingham.ac.uk/directions
 National train information:
www.nationalrail.co.uk

By coach

There are frequent express coach services to Birmingham from London, Heathrow and Gatwick airports and many other UK cities. The long-distance coach station is in Digbeth in the city centre.

By bus

Numbers 61, X62, 63 and X64 travel to the University's Edgbaston and Selly Oak campuses.

Parking on campus

Parking on open days is extremely limited and the majority of visitors will be unable to find a space on campus. We therefore recommend that visitors use public transport to reach the University or find alternative parking in and around the city. The University has three main car parks: South, North and Pritchatts Car Park (£1 pay and display); however please note that these are used by staff and students and fill up very quickly and therefore we cannot guarantee a space for visitors.

For further information about travelling to the University and the onsite train station please visit www.birmingham.ac.uk/opendays/travel

Park and ride

In addition to University parking there is an overspill park and ride car park with some limited parking. As with campus parking this site also fills up very quickly and we cannot guarantee a space for visitors. This is based at King Edward's School playing fields, a short distance from the University.

Park and ride will be operating on a first-come, first-served basis. Shuttle buses to and from the University will be running throughout the day, dropping off and picking up from outside University Centre (building R23 on the map on the back page).

The first park and ride will leave King Edward's School playing field at 8.00am. The last bus will leave University Centre at 4.30pm. There is no charge for the park and ride car park.

An inspirational student experience

The University of Birmingham is a leading global university which offers an inspirational student experience. We are investing in major new activities to enhance our student experience further, extend programmes that widen participation in higher education as well as providing generous financial support for students from lower income backgrounds.

Investment in the student experience

Over the last three years we have invested in excess of £200 million in our estate, including state-of-the-art learning facilities and, in addition we will invest £600 million in a wide range of transformational projects to enhance further the high-quality experience that Birmingham students receive. Our Bramall Music Building opened this summer, providing a new home for the Department of Music and a top-class performance space; we have plans to invest £40 million in new world-class sports facilities and the development of a new central library building for our extensive collections.

Student financial support

As a result of the increase in fees from 2012/13 we have introduced enhanced financial support for students from lower income backgrounds and increased outreach activities to promote fair access. Our progressive and targeted financial aid package will offer support to over 4,000 students and will increase our investment in widening access to over £12 million by 2015/16.

Investment in our students' careers

We have invested £3.5 million in sector-leading employability services which will provide Birmingham students with the opportunity for mentoring by some of the University's most successful alumni, internships in the UK and overseas and specialist staff offering unique careers guidance tailored to individual academic subject areas – ensuring Birmingham graduates continue to succeed after university. We are also building on our personal academic tutoring system to provide the support and guidance that students need to succeed in higher education and to achieve their full academic potential.

For full information on our tuition fees and financial support please visit www.birmingham.ac.uk/funding-update

The city of Birmingham

Birmingham has been transformed into a city for young professionals and is one of Europe's most exciting destinations. It is more than somewhere to study; it is somewhere to build a successful career.

Birmingham is a modern and fascinating city: famous for its historical industrial past, it is now a centre of arts and culture, commerce and entertainment, with a vibrant and diverse community. Birmingham is home to the largest financial services and creative sectors outside London. The thriving business community offers you a wealth of opportunities when you join the job market, and around 40% of Birmingham graduates choose to make their home here after leaving the University.

Shopping and style

- **Bullring** – Europe's largest city-centre shopping emporium with more than 150 shops inside the iconic £530 million complex, which attracts visitors from across the UK

- **The Mailbox** – a unique development which brings together designer fashion, lifestyle shops and an array of restaurants and café bars

Entertainment and events

- **Live entertainment** – top venues for big name bands and local talent include the O2 Academy, the National Indoor Arena (NIA), the National Exhibition Centre (NEC) and Symphony Hall, one of Europe's finest concert halls and home to the City of Birmingham Symphony Orchestra
- **Theatre** – Birmingham's principal theatres, the Repertory, Alexandra and Hippodrome, regularly host West End productions, as well as staging specially commissioned new work

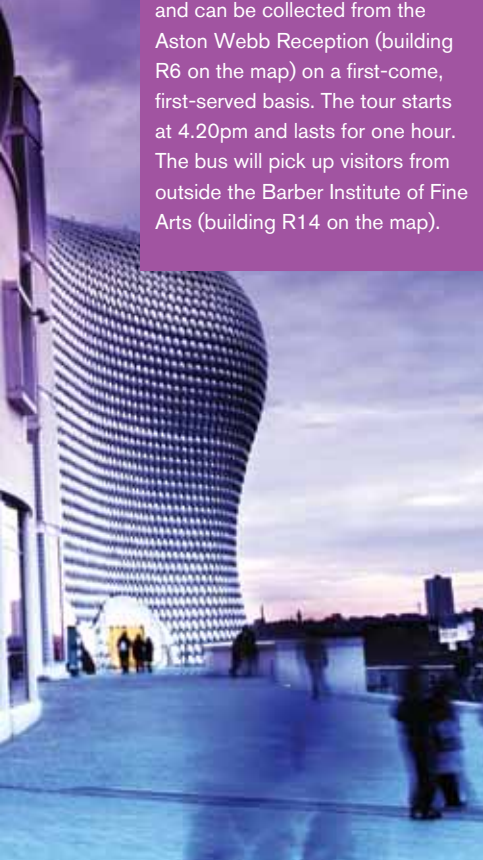

The city of Birmingham offers visitors a wealth of attractions from cultural activities to shopping and sporting events. It has some first-class entertainment and eating places, and you may want to consider arriving the night before to get the most out of your visit. For more information about what the city offers, visit www.visitbirmingham.com

'Big Brum' open top bus sightseeing tour

If you would like to find out more about the city and discover Birmingham for yourself, why not take part in our live, guided open top bus tour? Tickets are free and can be collected from the Aston Webb Reception (building R6 on the map) on a first-come, first-served basis. The tour starts at 4.20pm and lasts for one hour. The bus will pick up visitors from outside the Barber Institute of Fine Arts (building R14 on the map).

BIRMINGHAM: a student & graduate guide

This free iPhone app combines high functionality with expert local knowledge to give you an insider's guide to academic and social life in Birmingham. Search for Birmingham Lonely Planet from the iPhone App Store or iTunes.

- **Food and drink** – Birmingham's multicultural character is reflected in our restaurants: you will find Caribbean, Chinese, Greek, French, Spanish, Thai and other international cuisines
- **Custard Factory** – the former home of Bird's Custard has been transformed into a dynamic and Bohemian community of around 500 artists and small creative enterprises

A sporting city

- **Sporting events** – the city is home to many sporting events, including football at Aston Villa and Birmingham City, international cricket at Edgbaston and prestigious golfing events at the Belfry
- **British City of Sport** – Birmingham hosts more national and international sporting championships than any other city in the UK; not surprisingly, it was selected by the National Sports Council as the first British City of Sport

Places to visit

- **Birmingham Museums and Art Gallery** – Birmingham's main museum and art gallery includes one of the finest collections of Pre-Raphaelite paintings in the world
- **Ikon Gallery** – showcases cutting-edge multimedia work by leading contemporary artists

Hidden gems

Community culture...

The Midlands Arts Centre (MAC): a £15 million vibrant community arts centre, theatre and cinema in beautiful Cannon Hill Park.

Bespoke bling...

The Jewellery Quarter: home to Birmingham's historic jewellery trade, the area still boasts more than 100 specialist jewellery retailers to enjoy – the perfect place to pick up a unique piece at a bargain price.

Hobbit hunting...

Sarehole Mill: this 200-year-old mill is one of only two surviving watermills in Birmingham. The cobbled courtyard and mill pool are a tranquil haven from 21st-century life outside. It was a favourite haunt of the young JRR Tolkien and it is said that the Mill and Moseley Bog provided the inspiration for the Shire – home to Frodo and Bilbo Baggins.

How to make the most of your day

What's on offer?

In the Great Hall and the Marquee you will find a wide range of subject-specific stands as well as stands relating to sport, welfare, accommodation, finance, careers and other areas. Talks on a range of subjects take place throughout the day. The timetables for talks can be found on page 10 onwards. **Please note:** all talks last approximately 30 minutes.

General information

Prior to the open days, you can contact the Student Recruitment Team on 0121 414 3374. On the day, staff at the main reception area in the Aston Webb Building (R6 on the map) will be able to help you with general enquiries, directions and other information. Our student ambassadors will be wearing lime green shirts and will be present across the campus to help you find your way around.

Tours of the Edgbaston campus

Guided walking tours of the main campus take place throughout the day, starting at 9.00am. They last between 45 minutes to an hour. The Campus Tour desk is situated in Chancellor's Court, adjacent to the Marquee.

Viewing accommodation

Throughout the day, visitors can view University accommodation. Visitors can either use the walking map to reach accommodation (this takes approximately 15 minutes) or there is a specially provided free bus service. Walking maps may be picked up from all information booths and at the base of the clock tower. Buses depart from outside the Barber Institute of Fine Arts (building R14 on the map) and drop visitors at Maple Bank Hall on the Vale. To get the bus back to campus there is a bus stop outside of Mason Hall. In order to avoid congestion you might want to avoid the busiest periods between 12.00noon and 1.30pm. Buses will run from 9.00am until 3.15pm and bus tours will take between 45 minutes to an hour.

More information on accommodation can be found at www.birmingham.ac.uk/accommodation

Visitors with disabilities

We encourage students with disabilities to visit and study at the University and have implemented a programme of accessibility adaptations on campus. This includes the installation of lifts and accessible toilets and improved signage. All new buildings and major conversions are being designed with accessibility in mind.

A mobility map is available from the Aston Webb Reception (building R6 on the map), which

gives an overview of the Edgbaston campus showing the main access routes for wheelchair users.

Blue badge holders should arrive at the East Gate where security personnel will direct you to the nearest disabled parking spaces.

For more information please visit our website at: www.as.bham.ac.uk/studentlife/disability

Places to relax for parents and teachers

If you are accompanying your son or daughter, or a school group on their open day visit, you may want to go your separate ways for a time. You're welcome to take a break and relax in Café Aroma, Staff House (building R24 on the map) between 9.00am and 4.00pm. If you're visiting our student accommodation, you may also want to enjoy a coffee in Rio's, located in Shackleton on the Vale Village.

Winterbourne House and Garden is a unique heritage attraction and the perfect place to escape the crowds on open day. This attraction will be open from 11.00am–5.30pm (last entry 4.30pm) and entry is free for prospective students and £1 for parents and guests.

Activities and talks for parents and teachers

Our student finance talks include information on Birmingham's Grant and Scholarship scheme and other sources of funding. These talks take place at 10.30am, 12.00noon and 3.00pm in the Avon Lecture Theatre (building R23 on the map).

Parents may also be interested in attending our 'Parents' Survival Guide' talk at 1.30pm in WG5, Aston Webb Building, which covers all you need to know about supporting your son or daughter through their transition to University.

The Barber Institute of Fine Arts

Major works by Manet, Monet and Magritte, Rubens, Rossetti, Renoir and Rodin, Gainsborough, Turner, Degas, Picasso and many others adorn the galleries of the award-winning Barber Institute of Fine Arts, the University's mini National Gallery. Highly recommended if you have 30 minutes or more available.

Alternatively, you can join our free guided tour of the galleries and latest exhibition, 'Facing the Music: 20th-century Portraits of British Composers', at 12.00noon. Meet at the Reception desk at the Barber Institute (building R14 on the map).

Opening hours

10.00am–5.00pm – admission is free

Learn more

www.barber.org.uk

Other activities

Library Tours

To find out more about our library services, why not join a library tour? Tours depart every hour from 9.00am to 3.30pm from the iLounge, Main Library (building R22 on the map).

Sporting opportunities

As a top three sporting university there are plenty of sporting opportunities available at University of Birmingham Sport.

Find out more by visiting the Munrow Sports Centre (R25 on the map) – chat to current students, meet our coaches, attend Sport at Birmingham talks (held in dance studio at 9.30am, 10.30am, 12.00noon, 1.30pm and 3pm) and take a tour of our facilities (including the track that recently hosted the Jamaican Olympic Track and Fields Team).

The Guild of Students

The Guild, our students' union, is the hub of undergraduate life. Run by students for students, there are over 190 clubs and societies to join, reflecting the tastes and interests of our diverse community; societies range from mountaineering and debating to film and Brum Dine with Me. You can get involved in student radio via BURN FM, or the student newspaper *Redbrick* and there are diverse opportunities for volunteering in the local community. The Guild also provide the Job Zone employment service.

To find out more, attend a presentation and tour of the Guild, which starts in the Guild Council Chambers, 1st Floor, Guild of Students (building O1 on the map) at 12.00noon, 12.45pm, 2.15pm and 3.00pm.

Learn more

www.guildofstudents.com or watch videos about student life at: www.youtube.com/unibirmingham

Multi-faith Chaplaincy

The large team of chaplains represent Buddhism, Christianity, Hinduism, Islam and Judaism. They extend a warm welcome to all people whatever their religious background to St Francis Hall (building O2 on the map), located next to the Guild of Students.

Lost persons and property

Lost persons or anyone finding or looking for lost property should report to the Aston Webb Reception, Aston Webb Building (R6). Tel: 0121 414 4466 or contact a student ambassador.

First aid

First aid assistance can be found at the Aston Webb Reception, Aston Webb Building (R6). Tel: 0121 414 4466.

Emergencies and Security

To summon an ambulance and/or police dial 999 first and then inform Security Control on 0121 414 4444.

In the event of a fire contact Security Control on 0121 414 4444.

To summon University Security Services for incidents not requiring the Emergency Services dial 0121 414 3000.

More information may be found at: www.chaplaincy.bham.ac.uk

Access to Birmingham (A2B) scheme

If you are from a state school in the West Midlands and are involved in supporting students with university applications, come to the Student Recruitment stand in the Marquee to discover how the A2B scheme can help students from disadvantaged backgrounds make the transition to university life.

Learn more

www.birmingham.ac.uk/a2b

Year in Industry	Talks	11.15am and 1.30pm	Lecture Room G26, Ground Floor, Mechanical and Civil Engineering (Y3)

What type of programme suits you?

Single Honours

This type of programme focuses on one subject only, such as LLB Law or BSc Physiotherapy. The subject events timetable lists the variety of subjects available.

Joint Honours

A Joint Honours degree allows you to study two subjects equally. This might be two subjects closely related to each other, such as History and Politics; or simply two which you enjoy equally such as French and Mathematics.

Recommended talks: Joint Honours with an Arts discipline at 11.15am and 2.15pm (see the general events timetable for venue). The subject events timetable (starting overleaf) lists the talks available on individual subject-based talks.

Liberal Arts and Sciences

Using the breadth of academic expertise from across the University, this degree allows you to design your own programme of study based on your interests and strengths. You will

be supported in choosing modules which fit together into a logical programme of study reflecting your developing interests and knowledge. You will choose a 'Major' area of expertise selected from 40 subjects across the University, although you can keep your options open in choosing a Major until your final year.

Recommended talk
Studying Liberal Arts and Sciences, 1.30pm
Venue
Lecture Theatre 3,
1st Floor, Arts Building (R16)

Subject events timetable

Talks last approximately 30 minutes.

Please note this programme is subject to change.
