

Terms of Reference

The Senate shall, within the authority delegated by the Council and further specified in any terms of reference approved by the Council from time to time: keep under review the overall academic policies and academic strategies of the University and make recommendations thereon to the Council; be responsible to the Council for regulating and directing the academic work of the University in admission, teaching, assessment and research for the award of all Degrees, Diplomas, Certificates and other academic distinctions of the University; and be responsible to the Council for the control and regulation of the conduct, discipline and academic progress of the Registered Students of the University (whether intra-mural or extra-mural) and for the enforcement of discipline and for procedures for hearing the legitimate complaints by Registered Students against the University.

The Senate shall have power to discuss any proposed change in the Charter and Statutes and to send views to the Council.

Such matters as shall be committed to the Senate by the Council shall be transacted by the Senate, provided always that the Senate may at any time delegate any of its duties or powers to: an appropriately qualified member of the Senate; or an appropriately qualified committee consisting of persons appointed by the Senate or under its authority; or an appropriately qualified member of the Staff.

The Senate may make standing orders governing the procedure at meetings of the Senate. This includes the power to add to, amend, alter or repeal any theretofore made.
