Degree programmes that need a WHM

The following programmes have been confirmed as needing a Widening Horizon Module in 2016/17. Please note that this list is relevant for first year students only and is as accurate as possible based on the latest information we have. Students should contact their department directly if they are unsure whether they are required to register for a WHM.

Continuing students should contact their department directly if they are unsure whether they are required to register for a WHM. They do not need to attend the WHM event and should follow the instructions on the following web page:
