

Erasmus and International Exchange

The University has more than 225 student exchange agreements under the Erasmus and International Exchange programmes, with partner universities in Europe, Asia, Australia, Latin America and North America.

Approximately 350 University of Birmingham students travel abroad as part of the Erasmus scheme and 225 participate in an international exchange programme. Each year we welcome over 700 students to our campus as part of our Erasmus and International Exchange and Study Abroad programmes.

For details of our Partner Visit Day and Exchanges Fair, please visit our [events page \(/International/visitors/events.aspx\)](#).

Interested in studying at Birmingham?

If you are an incoming student who is interested in studying at Birmingham as part of the Erasmus, International Exchange or Study Abroad Programme then please visit our [study abroad pages \(/undergraduate/studyabroad/why-study-abroad.aspx\)](#).
