

## Birmingham alumni activities in South Korea

The University of Birmingham has many strong alumni groups all over the world. Alumni groups are an excellent way of keeping in contact with the University and with other graduates from Birmingham who live in your country. Some alumni groups meet on a regular basis for social and professional events.

If you would like to meet up with University staff when they are in your country or you would be willing to help promote the university at education exhibitions, we would also like to hear from you.

You can find out if there is an alumni group in your country or join our alumni mailing list on the [Alumni website \(http://www.alumni.bham.ac.uk\)](http://www.alumni.bham.ac.uk).
