

## Ordering a replacement certificate

Each graduate is entitled to one free copy of their qualification certificate. Students graduating in absentia from one of our Degree Congregations should expect to receive their certificate via post shortly following their Degree Congregation.

There may be isolated instances where certificates are lost in the postal system, in which case graduates are entitled to request a free replacement certificate as long as it is requested within 3 months of the date of their graduation and being delivered to the same address.

If your certificate has been lost in the post then please log a call via the **Online Enquiry Service** (<http://www.studenthelp.bham.ac.uk>) confirming your full name, student ID number and the address to which you would like the certificate posted.
