

Introduction to Careers Connect

Careers Connect is a system for booking appointments and event places, viewing vacancies for jobs and work experience opportunities, looking at the employers who have registered with us, sending us queries, and so on.

Sign up for Careers Connect

You can register with Careers Connect by filling out **the graduate registration form for Careers Connect** (<https://bham.targetconnect.net/unauthorisedGraduate/register.html>); the more

information you can provide us, the quicker we will be able to process your registration. Normally your registration will be approved within two or three working days.

Problems with your registration? See [our troubleshooting guide \(/alumni/careers/graduatecareers/services/tc-troubleshooting.aspx\)](#).

Why should I use it?

You don't have to, but it's the main way for you to get in touch with us. It has lots of information - such as job vacancies! - that may be useful to you, and lets you see what's going on at Careers Network.

Who is eligible to use it?

All students and graduates of the University of Birmingham can use it. Graduates of less than two years can access all our services, although you will not be able to book appointments online through the website; instead, you can book by coming into Careers Network in person (building R23 on the campus map), or by phoning us on 0121 414 6120 during our usual business hours (09.30-16.30, Monday to Friday, except for University closed days and public holidays).

I'm having problems
