Recently moved to London and looking for an opportunity to meet other Birmingham alumni in the capital? Join your fellow graduates at The Sterling, a stylish city bar that sits at the base of The Gherkin, one of London's most famous and iconic buildings, as we welcome the class of 2013 to our alumni community.

While you're getting settled into life after university, stay in touch with all your friends and Birmingham alumni in the London area. All recent graduates (2003-2013) are invited and we will be reserving a private area with one free drink for all alumni to come along.

Register online (<https://bhamalumni.org/NetCommunity/eventregistration>) now to be entered into a prize draw to win a bottle of champagne to enjoy with friends on the night.
