

Festive Drinks at the Birmingham Frankfurt Christmas Market - 6 December 2012

On Thursday 6 December, over 70 alumni and their guests braved the cold and rain for the fourth annual Christmas drinks event at the popular Birmingham Frankfurt Christmas Market in Birmingham city centre. Alumni made the most of the indoor heated bar on the chilly evening, enjoying a complimentary German beer or a warming mug of Glühwein.

Thank you to those who joined us on the evening, we were delighted to see you all. We welcome any feedback to help us to further improve events in the West Midlands region. Please email us at alumnievents@contacts.bham.ac.uk (<mailto:alumnievents@contacts.bham.ac.uk>) with your comments and suggestions of events you would like us to run.

We wish you a Merry Christmas and look forward to seeing you at an alumni event in 2013!
