Gillian & Richard Garcia wrote: We went to our first UB alumni meeting in San Diego on Saturday 5 January 2013. It was just great and we enjoyed ourselves a lot. There is a meeting in Northern California next month which we are planning to attend. May we also say how much we enjoyed the electronic Christmas card with the audio of the carol sung in the Great Hall. Thank you for your hard copy card. I will keep the picture of the Main Building in the snow.
