

## A sunny reunion

Posted on Wednesday 27th October 2010

Chemical Engineering alumni and their partners met at Gerrards Cross in Buckinghamshire to celebrate the 60th anniversary of their graduation.

Pictured are Peter Reid, Shirley and Tony Froome, Chris Lowery, Brenda Johnson (wife of Eric Johnson now deceased), Bruce Ross, Breda Reid and Ted Quiney.

'This is the fourth reunion we've held since 1995 and we met on July 1, which was a beautiful summer day and the exact date of our degree ceremony in 1950,' Peter says.
