

We Shape Birmingham: Mike Hammond

Alumnus Mike Hammond discusses the regional impact of his role, and the advice he would offer to students looking to study, live, and develop their careers within the city of Birmingham.

Profile

Mike Hammond - Chief Executive, Queen Elizabeth Hospital Birmingham Charity

- BSc Chemistry (1992)

Mike Hammond "...Birmingham's a really important city, not just for the Midlands but for the UK as a whole and I think it's really important that we have people working here in the city who are prepared to stand up and say what a good place it is to live and work."
