

Community Day

Come along to our Community Day on Sunday 7 September 2014 where you can explore our beautiful, historic campus and enjoy events and activities throughout the day. We are throwing the doors open for you to see for yourselves the great things that the University is doing for people here in the Midlands and around the world.

We are delighted to welcome the [British Science Festival \(/university/british-science-festival/index.aspx\)](/university/british-science-festival/index.aspx) to the University of Birmingham from 6-11 September 2014. Community Day will be hosting extra talks, activities and some famous faces as part of the British Science Festival.

Activities will include bungee-trampoline, build a rocket, face painting, culture trails, create a dinosaur, gold panning, carousel, mask making, climbing wall, farmers' market, dig into the past, and much more!* Check out the [full programme \(PDF - 1.49MB\) \(/Documents/community/community-day-prog-2014.pdf\)](/Documents/community/community-day-prog-2014.pdf) for details.

If you have an enquiry, please contact community@contacts.bham.ac.uk (<mailto:community@contacts.bham.ac.uk>)

*Some activities may be subject to change
