

## Events

The University presents a year-round programme of quality cultural activity. Enjoy performances, exhibitions, lectures and workshops on campus and in the City; relax in our botanical gardens and discover our many cultural collections. Featured Events

**[Arts & Science Festival \(http://www.birmingham.ac.uk/culture/events/Arts-and-Science-Festival/Arts--Science-Festival-.aspx\)](http://www.birmingham.ac.uk/culture/events/Arts-and-Science-Festival/Arts--Science-Festival-.aspx)**

The University of Birmingham's Arts & Science Festival will return for its third year in 2015. Running Monday 16 – Sunday 22 March and themed 'Sight & Sound', the free programme showcasing culture, research and collaboration at the University through talks, exhibitions, performances, workshops and screenings.

Full events listings can be found on the University's **[events pages \(/events/index.aspx\)](#)**.
