

## Cultural intern scheme

Applications are now open for the fourth year of an innovative intern scheme sponsored by the University and its cultural partners.

Commencing in October 2014, and running until March 2015, the scheme offers successful applicants a six-month paid work based placement; each offering real opportunities to gain high quality work experience, undertaking meaningful projects at leading cultural organizations in the West Midlands region.

The programme is designed to increase graduates' knowledge and skills, and for interns to gain an interesting and valuable introduction to the workplace which will enhance their future employment prospects.

The structure of the programme includes joint training sessions based at the University at the start, middle and end of the internship with individual mentoring available throughout.

### How do I apply?
