

*Christmas
Greetings*

From all of us in the EPS Community team, we would like to wish you a very happy and healthy Christmas and New Year.

Do have a look at our [**EPS Christmas Lecture**](#) delivered this year by Professor Mark Miodownik, materials scientist and engineer, broadcaster and author, on the subject of 'Stuff Matters'. We also had plenty of festive fun at the [**University's Christmas Carol Service**](#) – feel free to sing along!

We hope you are blessed with a very happy Christmas season.

With best festive wishes,

Grace and Siobhan
