

## Project Update – April 2013

	<p>We have interviewed 23 people so far. Many thanks to everyone who have helped us.</p> <p>We now have a <a href="#">thank you page</a> to say thanks to all the organisations that have helped us.</p>
	<p>People tell us they have enjoyed taking part. They like being able to tell us what they think.</p> <p>One person said:</p> <p>“I thought it was good, good to get a feel for the questions and good to give information.”</p>
	<p>We need to interview 30 people or more. We hope to do this by end of May 2013.</p> <p>Please contact Gemma Unwin if you would like to take part:</p> <p>Email: <a href="mailto:G.L.Unwin@bham.ac.uk">G.L.Unwin@bham.ac.uk</a> Telephone: 0121 414 7225</p>

We are planning our Partnership event.

This will be held in November 2013.

Please contact Gemma Unwin if you would like an invite to this event.

Please see the [Partnership event page](#) for more information about this event.

We think it is important to also speak to service providers about their experiences.

We are also interviewing service providers as an extra part of this project.

We are interviewing:

- Care workers
- Social workers
- Managers.
