To celebrate the launch of GRAB 2013, we're giving our incoming undergraduates the chance to win an iPad! This year's GRAB book is "The Incredible Human Journey", by our very own Professor Alice Roberts. Inspired by the book, we want you to share a photo of "My Incredible Journey", showing us your journey to the University of Birmingham. Share your photo, showing us your journey to the University of Birmingham, via the Library Services Facebook page, or tweet it to @UoBLibServices. All entries must be tagged with #uobgrab. If you're entering via Instagram, be sure to also share your photo on Facebook or Twitter so that we can contact you. The competition is open to all current students at the University of Birmingham and the competition closes at 5pm on Friday 11th October. Full terms and conditions here: <http://www.birmingham.ac.uk/welcome/grab/photo-competition.aspx> (<http://www.birmingham.ac.uk/welcome/grab/photo-competition.aspx>)
