Download	Add to Calendar (/events/exhibitions/BABELexhibition.aspx?ical=true)

Monday - Friday, Free entry

BABEL is an ongoing series of collages, paintings, digital prints, cards, books, boxes and installations, all derived from Stewart Brown's experiments with 'visual language'. This new iteration of the series is displayed alongside the influences and inspirations Brown has encountered during his time as an academic at the University of Birmingham and his travels through West Africa and the Caribbean.
