Join us for an evening of celebration, music and laughter as we launch LGBT History Month 2014 at the University of Birmingham. Compèred by renowned performer Rose Collis, the show will also feature the fabulous Isis String Quartet, performing disco hits in a classical style! There will also be songs, sketches and excerpts from other events taking place at the University during LGBT History Month, with performances from *Baron Sternlook's Big Naughty Gay Improvised Musical*, *The Vagina Monologues* and *Le Cabaret Du Chat Électrique II* whetting the appetite for what's to come. Plus, ViX, lead singer-songwriter from 80's rock group Fuzzbox, will be performing the LGBT History Month anthem, *Sing It Loud*. This unforgettable cavalcade of entertainment is sure to entertain all!
