Recitativo et scherzo, Op. 6
Ysaye

Sonata No 4, E minor, Op. 27 "Fritz Kreisler"

Young Classical Artist Trust violinist Bartosz Woroch presents a rare opportunity to hear an entire recital of works for solo violin, with additional focus on the relationships between composers. Both stylistically inspired by Bach, the featured works by Kreisler and Ysaye, both renowned virtuosos, are dedicated to each other.
