

CEPLER Activities

The Pro Bono Group

The Birmingham Law School Pro Bono Group provides free legal services for the local community, and gives law students the opportunity to develop the practical legal skills that they will need for their careers. To achieve these aims, the Pro Bono Group currently has four spheres of activity and the range is expanding:

Careers Support

The High Fliers' Graduate Market survey reports that over half of recruiting firms consider graduate applicants with no work experience 'not very likely' to be successful in securing a job offer. To help our students become distinctive in the graduate employment market, Birmingham Law School provides a range of career-focused events and opportunities.

- [Becoming a Solicitor or Barrister \(/schools/law/courses/lb/careers/legal-profession.aspx\)](/schools/law/courses/lb/careers/legal-profession.aspx)

Mooting

Under CEPLER the number of mooting competitions judged by barristers has increased and there are more opportunities to take part.
