Archival resources for theatre and drama

Last updated August 2016
The following listing highlights a range of materials in our collections relevant to the study of theatre and drama. These include business archives and personal collections.

This is by no means a comprehensive listing and details of new acquisitions will also be added to this resource list. We welcome enquiries from potential researchers at any level and are very pleased to offer advice and assistance in using our archives in one-to-one or small group sessions by appointment.

More information about many of these collections is available on our online archive catalogue at http://calmview.bham.ac.uk/ - use the finding numbers in the listing below to search the catalogue.
