

Highlights of the collections

The Cadbury Research Library has created a selection of online highlights from the collections on Flickr. You don't need a Flickr account to have a look through our collections, but if you do, why not follow us? [Cadbury Research Library on Flickr \(http://www.flickr.com/people/cadburyresearchlibrary/\)](http://www.flickr.com/people/cadburyresearchlibrary/).

Art in the Collections

An exhibition showcasing the variety of hand-coloured art in the collections, including tinted printing processes and freehand miniature painting. View a selection of images from the [Art in the Collections exhibition on Flickr \(http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157634342993802/\)](http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157634342993802/).

Roots of the University

The history of Mason Science College 1880-1900, founded by Sir Josiah Mason and the forerunner organization to the University of Birmingham. [Roots of the University Exhibition on Flickr \(http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157634457316297/\)](http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157634457316297/).

Campus Construction

Over 600 photographs documenting the explosion in building on the campus during the 1950s and 1960s. View a selection of images from our [Campus Construction Exhibition on Flickr \(http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157632911020521/\)](http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157632911020521/).

University Archives

The tour illustrates some of the material that can be found in the institutional archives of the University and its predecessor and associated organisations. View the [University Archive highlights tour on Flickr \(http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157629860248284/\)](http://www.flickr.com/photos/cadburyresearchlibrary/sets/72157629860248284/).

The Mingana Collection

The uniquely rich Mingana Collection of Middle Eastern Manuscripts contains over 3000 manuscripts, the earliest dating from the 6th century. It is a 'Designated Collection' of outstanding national and international importance by Arts Council England, you can now [view parts of the collection online \(http://vmr.bham.ac.uk/Collections/Mingana/\)](http://vmr.bham.ac.uk/Collections/Mingana/).
