

## How to enrol for a language MOMD

To reserve a place on an MOMD you need to enrol directly with Languages for All.

### New Students

New students will enrol in Welcome week. If your degree programme allows for MOMD study, you will receive details about MOMD registration in your Welcome information. If not please check with your home department for instructions.

Enrolment may also be made in the Languages for All (LfA) office in the Ashley Building during Week 1 of the academic year, subject to availability of places. Our MOMD teaching starts in Week 2.

### Continuing Students

Continuing enrolment from students going into Year 2 and Year 3 can be made in the LfA office during the summer term. See also [Continuing Students \(/facilities/cml/iwlp/momd/continuing-students.aspx\)](#).

### Languages offered

Look at each language to see level, date, and time of courses offered in 2014/15:
